

# VEX CODE VR

Student Name: Joel Alberto Ochoa Barajas

Assignment: Vex

Notes: Castle Crasher

Playground: Castle Crasher

Project Name: Me-Robotics#3

Project Type: Blocks

Date: Wed Feb 08 2023

```
if (FrontDistance in mm < 100) then
  drive reverse for 50 mm
  turn right for pick random 90 to 150 degrees
```

```
when started
  set drive velocity to 100 %
  set drive velocity to 100 %
  forever
    drive forward
    if (DownEye detects red ?) then
      drive reverse for 50 mm
      turn right for 120 degrees
```

when started

set drive velocity to 100 %

set drive velocity to 100 %

forever

drive forward

if DownEye detects red ? then

drive reverse for 50 mm ▶

turn right for 120 degrees ▶
